Welcome to T.W. Hunter Middle School! I hope you had a wonderful summer and are ready for a great year. My goal is to make this a rewarding and successful year for your child. Below I have included some class information for you and your child.

Daily Class Supplies:

- Math textbook
- Composition book
- Homework binder (includes agenda, paper, and pencils)
- Calculator – Texas Instrument 30XIIS

Math Grades:

40% Tests

35% Quizzes

*Homework will not be assigned daily. It will consist of classwork assignments that were not finished during class.

Students will write down daily assignments and upcoming quizzes or tests in the student agenda each day. They will also create an interactive notebook made up of class notes and examples. The notebook and textbook is allowed to be taken home to help students finish class assignments or study for upcoming assessments.

In the event that a student is absent from class, it is the student's responsibility to get any work or notes missed. Students have 3 school days to complete and return any make-up assignments.
