

6th Grade Social Studies 2018-2019

Mrs. White- Room 608

Welcome to 6th grade at T.W. Hunter Middle School! I am looking forward to a great year with each and every one of my students. To ensure success, I have included some important information needed for our class. One of the most important keys to success is parent-teacher communication. I have included my email address which is the easiest way to contact me. Please feel free to email me any time with any concerns or questions. I am here to help make this transition from elementary to middle school as smooth as possible.

Another resource for helpful information is our class website. Weekly assignments will be posted along with important class information. The address is <http://www.white6thgrade.weebly.com>.

Instructions for **Remind 101** are included on the back of this sheet. If you would like to receive these text messages, just follow the instructions given.

Social Studies content and topics:

Sixth grade social studies focuses on world history. In this class, you will be introduced to ancient cultures, world religions, economic systems, and influential figures from various civilizations including Mesopotamia, Egypt, Israel, India, China, Greece, and Rome.

Grades:

Tests 35%, Quizzes 30%, Daily Work 25%, Homework 10%

Each student will need their homework binder for the classroom and a composition book. We will use colored pencils and glue sticks all year long. These should be in the pencil pouch in the homework binder. Please make sure your child has these materials at all times.

Thank you for the opportunity to work with your child this year. I am looking forward to getting to know each and every one of my students. Again, please feel free to contact me at any time with questions or concerns. Working together, our children will succeed!
